Summary

Dedicated and nurturing bilingual nanny with over 8 years of experience caring for children from infancy to school age. Skilled in creating a safe, engaging, and educational environment for children while providing support to families. Committed to fostering positive relationships with children and parents alike. Certified in Infant CPR and First Aid, with a flexible schedule that includes weekend availability. Pet-friendly and capable of integrating pets into care routines when applicable.

Certifications

- Infant CPR and First Aid Certified, American Heart Association, June 2022

Work Experience

- Nanny, Smith Family, City, State

June 2019 - Present

Provided full-time care for two children, aged 1 and 4. Responsibilities included preparing meals, organizing educational activities, and ensuring a safe and nurturing environment. Assisted with light housekeeping and laundry as needed. Fostered bilingual communication by engaging the children in both English and Spanish.

- Nanny, Johnson Family, City, State

January 2016 - May 2019

Cared for a newborn and a toddler, focusing on developmental milestones and creating a structured daily routine. Conducted interactive playtime and educational activities to promote language and cognitive skills. Coordinated with parents on schedules, routines, and discipline strategies.

- Nanny, Martinez Family, City, State

March 2014 - December 2015

Provided after-school care for three children, ages 5, 7, and 10. Responsibilities included homework assistance, transportation to extracurricular activities, and managing playdates. Developed engaging activities that promoted learning while ensuring the children's safety and well-being.
