

RESUME-04

Full Name: Emily Johnson

Summary:

Dedicated and compassionate former NICU nurse with over six years of experience as a private nanny, specializing in the care of infants and children with special needs. Proven ability to create safe, nurturing environments while fostering developmental growth. Committed to providing high-quality care with a focus on health, safety, and well-being. Available for weekday mornings only.

Certifications:

- CPR and First Aid Certified, American Heart Association, 2020
- Medication Administration Certification, State Nursing Board, 2019

Work Experience:

Private Nanny, Family A, City, State

June 2020 - Present

- Provided full-time care for a toddler with developmental delays, implementing individualized educational activities and therapeutic play to support growth and learning.
- Managed daily routines, including meal preparation, transportation to appointments, and coordination with therapists and educators.

Private Nanny, Family B, City, State

February 2017 - May 2020

- Cared for a newborn and a three-year-old, focusing on infant care best practices and early childhood development.
- Developed and maintained a structured schedule that included educational play, outdoor activities, and nap times, ensuring the children's physical and emotional needs were met.

Nurse, Neonatal Intensive Care Unit, Hospital Name, City, State

August 2012 - January 2017

- Delivered exceptional nursing care to critically ill newborns, working closely with families to provide education and support during difficult times.
- Collaborated with a multidisciplinary team to develop and implement individualized care plans for complex cases.

Languages:

- English (fluent)
- Spanish (conversational)
