Free-Text Notes:

Hello! We are the Martinez family, and we are looking for a reliable and caring nanny to help us on Saturday mornings. Our family consists of two children: our 7-year-old daughter, Sofia, who loves to play games and engage in creative activities, and our 2-year-old son, Mateo, who is still napping during that time. We would like a nanny who speaks Spanish to help expose our children to the language, as it is important to us that they develop bilingual skills from a young age.

During the hours we need coverage, we would like the nanny to engage with Sofia in age-appropriate activities while also ensuring that Mateo gets his nap time. If the nanny can help prepare a light brunch for the children, that would be a bonus, but it's not a requirement.

We live in the Eastside area and would prefer someone local who can commute easily. Our dog, Luna, is very friendly and would need some attention as well, so being comfortable with pets is a plus. Thank you for considering our family! We look forward to finding the right match.
